

## BEERS

### LEO

Drinking Leo isn't just for out the front of 7/11's. Aroma is a light malt, toasted with hints of sweet corn

### SINGHA

You've seen it on a vest in Bangkok, so now's the time to try this strong malty flavour which pairs perfectly with curry

### CHANG

A mild beer with flavours of fermented grains, hops & rice. Some may call it - the official taste of Pattaya

### TIGER

Whilst not quite as magical as Charlie Sheen's tiger blood – this lager lives up to its name with a powerful pils malt & floral hops finish

### SAN MIGUEL LIGHT

A light and reduced-calorie lager with an exceptionally smooth and crispy taste. Great for those who've eaten a few too many pies

### PERONI

A distinctly hoppy aroma with notes of banana and grapefruit, easy to drink with a crisp, elegant and refreshing taste – close your eyes & you're on a superyacht in Capri

### HEINEKEN

Often referred to as the ugly step-sister of beers, but this lager has stood the test of time. Crisp & refreshing has a short & slightly bitter finish, much like expats in Thailand

### KIRIN

What do you get when you cross Germany with Japan? If you guessed Gapan, you're wrong. You get a pretty amazing lager! Kirin is built on the traditions of the Japanese but retaining the use of malted grains & hops imported from Germany.

### ASAHI

Is there anything the Japanese can't do? Crisp with a faint aroma of pale malt with floral notes. Drink too many & you could wind up being an Asa-hole

### MENABREA ITALIAN BIRRA

Scusa mi but this may be on of the best Italian lagers south of Sicily! Using delicate barley malts & maize, makes for a light crisp sip.

### HOEGAARDEN

We all wish we had one at home, but alas. Enjoy the fantasy here instead & indulge in this creamy & light but earthy weetness derived from wheat

### GREENE KING (440ML)

IPA or OMG?! This delicious easy drinking, session ale with a hoppy taste and aroma making it clean, crisp and definitely moreish

### OLD SPECKLED HEN (440ML)

No one likes a spotty cock, but a speckled hen – now that's a different story. Full & smooth flavour and frankly every easy to drink with superb fruity aromas complemented by a delicious blend of malty tastes – the MG of beers.

### WEXFORD (440ML)

When the tasting notes sound like an actual Irishman. A tawny-red brew with a fluffy head & big nose. An ale everyone loves

### WHALE PALE ALE

Upfront hops & crisp earthy flavours with a grassy bitterness. Faint fruitiness of citrus and lime follows thereafter while malt is the backbone. Finally something those Aussie convicts can be proud of
